

# CIRCUIT

## STAKEHOLDER WORKSHOP

EIT House Brussels – 10 October 2019

14/10/2019

© VITO – Not for distribution

## PROGRAMME

10:00	10:20	Welcome, introduction to the project and workshop	ENEA	Roberta De Carolis
10:20	10:45	Introduction, presentation of Circular Societies Lighthouse and context of the project	EIT RawMaterials	Ignacio Calleja
10:45	11:15	Results of project inventory and 'opportunity map'	Tecnalia	Pierre Menger
		o Which projects/organisations do what?		
		o Main learnings of recent projects		
		o Identification of blind spots concerning innovation and education that (could) fall within the scope of EIT RawMaterials		
11:15	12:30	Stakeholders panel		
		o Cities and Regions collaborating towards a sustainable use of resources	ACR+	Francesco Lembo
		o Hubs4Circularity - connecting industry and cities	SPIRE	Ludo Diels
		o A common understanding of Urban Circular Collaborative Economy Initiatives	VVA	Magdalena Klebba
		o UN Urban Agenda for Circular Economy - implementation at city level	City of Maribor	Klemen Risto Bizjak
		o Circular Cities - roles and challenges for local governments	ICLEI	Holger Robrecht
12:30	13:00	Debate	VITO	Karl Vrancken
13:00	14:00	Lunch		
14:00	14:30	Interactive Workshop		
		o Identification of needs and gaps, confronting running projects with role and capacity of EIT RawMaterials		
14:30	15:00	Open debate: blind spots in CE for cities - the possible role of EIT RawMaterials		
15:00	15:30	Conclusions		

## EUROPEAN CIRCULAR ECONOMY RESEARCH ALLIANCE

A network between European RTO's,  
to strengthen and integrate scientific knowledge and expertise on CE

- Build collective excellence
- Knowledge and network hub
- EC-RTO bridge
- Academia-industry-RTO bridge
- Voice of RTOs in the CE community

Tecnalia – VTT – CEA- VITO – Wuppertal – IVL – ENEA –  
IETU – SINTEF - TNO

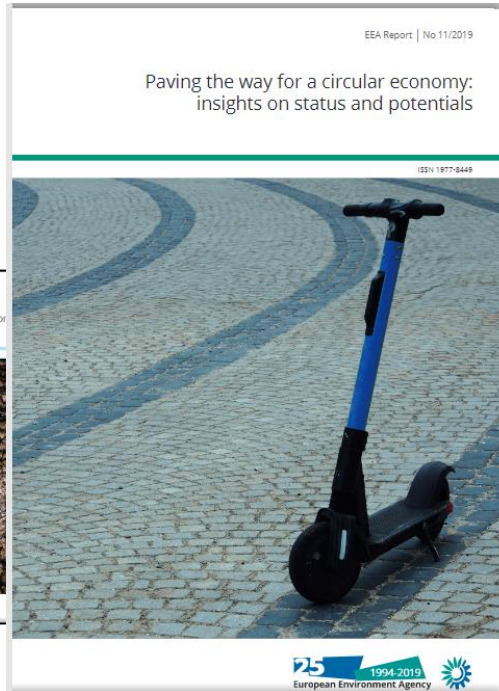

ECERA

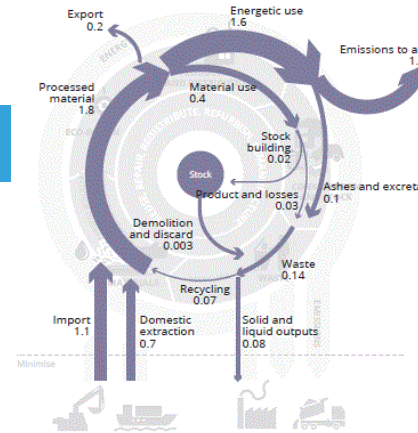

Research and Technology for  
Circular Economy in Europe

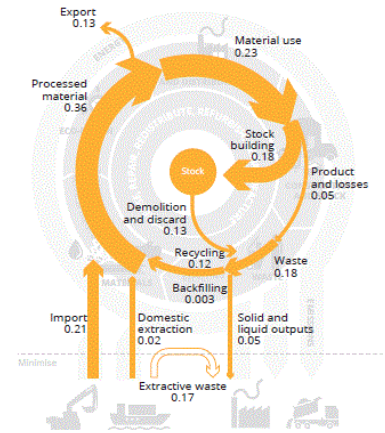

# EUROPEAN ENVIRONMENT AGENCY

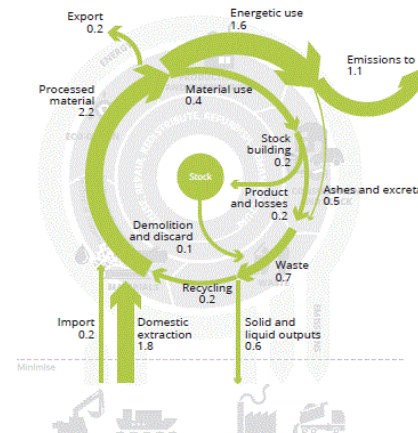

## Fossil materials

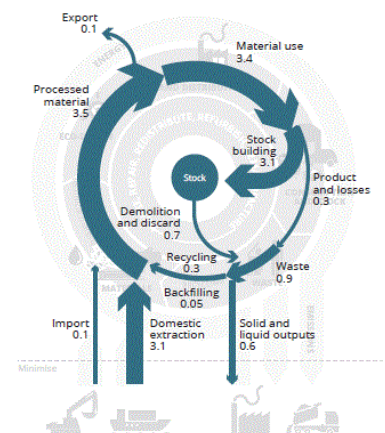

## Metal ores

## Biomass

## Non-metallic minerals

## INTRODUCTION

- [Circuit project](#) – Roberta De Carolis, ENEA
- [Circular Societies Lighthouse](#) – Ignacio Calleja,

EITRawMaterials

- [Project inventory and opportunity map](#) – Pierre Menger,

Tecnalia

## STAKEHOLDER PANEL

- [ACR+](#) - Francesco Lembo
- [SPIRE](#) – Ludo Diels
- [VVA/ESPON](#) – Magdalena Klebba
- City of Maribor – Klemen Risto Bizjak
- [ICLEI](#) – Holger Robrecht

## DEBATE

- Which new elements did you hear this morning, what are challenges that you did not hear before?
- What are topics that you have not heard this morning, bring your ideas.
- Which topics should be developed more, in order to stimulate circularity in cities?
- What are specific topics that could be financed more?

Save the date 18 - 20 November 2019
